

**STD Screening in the Jails RFA
0603100219**

Question: Referring to page 15 in the STD Jail RFA “This funding may not be used to supplant funds for currently existing staff activities.” Nassau County Health Dept is presently using NYSDOH funds to provide STD services. Would we be allowed to request funding through this RFA to continue these activities or would this be considered ‘supplanting of funds for currently existing staff activities’?

Yes, Nassau County would be allowed to request funding through the RFA to continue the provision of STD services.

Question: Should the STD Screening in the Jails RFA application be single-spaced or double-spaced?

The STD Screening in the Jails RFA application should be single spaced. 1 point will be deducted from the application if double-spacing is used instead of single-spacing.

Question: Is the budget included in the 20 single-spaced typed pages?

No, the budget is not included in the 20 single-spaced typed pages. On the last paragraph on the bottom of page 16, the budget should not be included in the listing of topics with page numbers assigned to them.
